

POLICY ON USE OF WASHROOMS

Introduced: December 2015	Revised: March, 2021
Previous review : 2019	Next Review : March 2023
Implemented by: Principal	

DEFINITION:

This policy refers to the term helping students to understand and practice the healthy lifestyle in their daily life.

PURPOSE:

This policy covers matters related to students' use and misuse of toilet and taking advantage of leaving the class.

POLICY:

- The school provides good quality toilet facilities throughout the school.
- The school provides students with unlimited access to the school toilets throughout the day to promote their health, wellbeing and learning opportunities.
- The school ensures that this policy is accepted and upheld by the whole school community, including the school executives, teachers, students, parents, cleaners and ancillary staff.
- The school toilets are kept open and available to all students throughout the school day.
- It ensures that the school toilets are suitable for all students, including those with disabilities and special needs, with adequate lighting, fixtures and fittings.
- The school also ensures that all toilets provide privacy for users, with properly maintained door locks.
- All toilets have properly maintained supplies like water, soap, hand dryers and toilet paper located at a convenient height for students.
- The school ensures the toilets are cleaned regularly and thoroughly, according to a set schedule.

- The school's leadership seeks the views of the whole school community in relation to concerns about the toilets and responds promptly to any problems raised by the students.
- Focus is given so that the students respect the privacy of other children using the toilets.
- Students will flush after using the toilet. Students will wash their hands after using the toilet.
- Students will not run, scream or shout in or near the toilet block.
- Students will keep the toilets and bubblers clean and tidy.
- Separate toilet for boys and girls are provided.
- Every floor has been designated with one washroom.
