Objectives:

Our Grade 11 admissions process adheres to ADEK regulations, ensuring a fair, transparent, and inclusive approach that aligns with our school's Vision and Mission. We seek students who exemplify our core values of academic excellence, creativity, leadership, cultural appreciation, and innovation. Applicants are required to demonstrate strong academic performance, a creative mindset, leadership potential, and a commitment to cultural values and research. The admission process includes an academic review, an entrance assessment, and an interview to assess their readiness and alignment with our school's values. We are committed to fostering diversity and inclusivity, guaranteeing equal opportunities for all students without discrimination based on gender, nationality, or background.

Admission Process:

1. Internal Candidates

- Admission to Grade 11 is seamless and automatic, with temporary stream allocations determined by the performance in the Grade 10 Term 1 exam.
Final allotment of the subjects shall be given only after the final results from CBSE.
- A minimum of 70 % aggregate in Mathematics and Science is required for the selections in Science stream.
- Students need to fill the internal form for allocation of stream.
- The optional subject indicated in the list (Group 1 and Group 2) will be considered only if a minimum of 5 candidates have opted for that particular subject.

2. External Candidates

Candidates from other schools will get a provisional admission, if they fulfill the eligibility criteria listed below.

Eligibility criteria

- The student seeking admission should have been studying in a school recognized by or affiliated by CBSE or any other recognized Board of Secondary Education.
- The candidate must satisfy the requirement of age limits (minimum and maximum) as determined by the Government and applicable to Abu Dhabi, UAE. Birth certificate must be attached as evidence.

Admission Procedure:

Application form

- Parents are requested to complete the online application form available on the school website (<http://ict.dunesinternationalschool.com/>). Upon submission, an acknowledgment email will be sent confirming receipt of the application. Based on the availability of seats, the Admissions Department will then issue an invitation for the assessment.
